

Top 20 Infidelity Signs

1. Your spouse spends more time away from home. The cheater needs to spend more time with their love interest so they must make up more excuses to be away such as working late, unexplained errands and increased travel.
2. Your husband or wife has noticeable cell phone habit changes. They don't answer their phone around you, turns the ringer off or takes longer than usual to call you back. If you have access to the cheating partner's cell phone bill, check for calls made during odd times or of long duration.
3. Their clothes smell of alcohol, smoke, perfume or cologne.
4. Your spouse clears their computer history, utilizes free email accounts such as Gmail, Yahoo!, Hotmail, etc..., spends odd hours or unusually long times on the computer, changes screen display when you enter the room.
5. Your spouse is not interested in sex as much.
6. A cheating husband or wife is unusually defensive or starts ignoring you.
7. Your spouse starts using cash more often and debit/credit cards less.
8. Your spouse suddenly starts doing their own laundry or dropping off their own dry cleaning.
9. Your spouse has higher than usual car mileage.
10. Cheating husband or wife wants to travel and attend functions alone.
11. Spouse has unexplained receipts in their car, wallet or desk.
12. Spouse suddenly joins a gym, changes diet, gets a new hair style, starts visiting tanning salon, and buys new clothes and/or lingerie.
13. Your spouse begins bathing or showering more frequently.
14. Cheating husband or wife asks about your schedule more often than usual.
15. Your spouse stops cuddling, kissing or holding hands.

16. A cheating spouse may have new or unusual sexual requests.
17. Your spouse is always “too tired” for you.
18. The lose interest in domestic activities such as spending time with the kids, doing chores, etc.
19. Cheating husband or wife becomes unusually nice, brings you more gifts than usual and is more affectionate because of guilt feelings and time spent away.
